GOODYEAR TIRES

We used to sell another line of Tires. And we believe thy were good ones. But we were asked many times, "Do you think that Tire is as good as the GOODYEAR?"

So we figured if our customers made Goodyear their standard of value—why try to sell them any other kind. And for that reason, we are now selling Goodyears exclusively.

THE MOST important element in business success—

I and the most difficult—is to be sure that you have all the facts before you act. GET them all, from every possible source, is the I first objective in General Motors. The Research Laboratories contribute some. These are nuggets, left in the crucible, after hundreds of ideas that looked good have been burned away. The Proving Ground contributes others. Dealers contribute. The

public contributes. Every department contributes.

Through the whole organization runs a spirit of

inquiry and of rigid insistence on proof.

Our of such thinking come the new models announced from time to time by Chevrolet, Pontiac, Oldsmobile, Oakland, Buick, LaSalle, Cadillac—all with Fisher Bodies. And by Frigidaire. Each new model is a tested step forward. Nothing goes into it as a result of habit or guess or pride of

Nothing counts but hard-won facts, gathered and used with an open mind.
